Wacky Wednesday's Pumpkin Palooza

Next month, we would like to repeat **The Pumpkin-Palooza** event that we had last October. We had dinner with flavors of pumpkins, we carved pumpkins, played some games, and had a short devo. Would anyone like to get that organized for October from 5:30 to 7:30? Please talk to an elder if you can get this activity going. What a great opportunity to get to know our community better! If you are planning to help with **The Pumpkin-Palooza**, please write your name on the list at the Welcome Center. We need lots of hands to help with carving and decorating the pumpkins. We also need donations of pumpkin pies, pumpkin dips, pumpkin bread, and pumpkins for carving. We would like to have donations towards the food we need for the dinner. If you can help in any way, please sign up!

We would like to say a Big Thank You to everyone who helped with the **Cozy Camp Circle** Wednesday night. From the setup crew to the cleanup crew and everyone in between! Thank You! Thank You!! Thank You!!!

Name Tags

We have had a number of visitors and new attendees during the past 4 or 5 months. Recently one regular attendee requested that we wear name tags, so they can quickly call us by name. We plan to try a stick-on tag that we hand write our first name. The name-tags will be available at our welcome center. Please help us, as we help our visitors and new attendees be more comfortable in our worship and fellowship assemblies. *Mike Forehand*

Sayings People Mistake for Scripture

"Pride comes before a fall." Like "money is the root of all evil" this is a contender for being sooo close to being correct. Proverbs 16:18 states that, "Pride comes before destruction and a haughty spirit before a fall." This distinction is important. Pride is what caused Satan to fall from Heaven. Scripture is rife with how much God hates pride. He actively opposes it. It is significant that Solomon essentially says the same thing twice. The word haughty means pride and arrogance, and the word fall is defined as calamity or ruin. Many people seem to use the misquote with an air of lightness, almost indicating that a "fall" is more like a silly trip over a crack in a sidewalk. However, Scripture clearly shows that pride and arrogance bring destruction and calamity to those who refuse to repent. — *Carrie Kintz*, edited by *Bobby Price*
