### Coins For Christ

The coins the children collect during our worship service are going to be donated to causes that are more visible to the kids. As the coins are collected, we want the kids (and the church) to see what the coins are going towards. Thank Reuben and Kathy Castleberry for the idea!

### Fun Bible Fact!

Did you know that there were not two of every animal on Noah's ark? Certainly God did request two of many types of animals on the ark in Genesis 6:19-21. But immediately following that in 7:1-3, God told Noah to bring seven of every clean animal! On the ark there would be two horses, dogs, pigs—the unclean animals. But there would be seven of all clean animals like sheep, goats, doves, and more. Interesting, eh? —BP

## Potluck Today in Honor of The Forehands

Today the potluck is held in honor of Mike & Janyce Forehand for all their service in the church over the years. They are moving to Florida in May. Take a moment to tell them how much you appreciate them and how much you will miss them!

# A New Exciting Opportunity!

The church will be introducing a new program focused on transformation through the principles of the Beatitudes. It is called **CELEBRATE RECOVERY**, where Christians may focus on moving beyond our unhealthy behaviors, our Christian “recovery.”

Each week there will be a “large group,” a time of worship in song and teaching, followed by “small groups,” discussion based groups where each person may speak their mind and talk about their spiritual struggles. It is a time to share without interruption, a place of refuge with confidentiality, and a group dedicated to listen and support you. Everyone is welcome to join!

Next week there will be a special presentation on this new opportunity. For more information talk to Bobby.
